30 September 2020

Dearest members and parents,

On Tuesday, the tightened measures were taken to contain the covid19 virus. The cabinet has announced these measures for the next three weeks. Depending on the degree to which the infections with the virus and the number of hospital admissions increase, the measures will be relaxed or tightened after this period.

Earlier this year, during lockdown, we couldn't fence. Many of us were very disappointed. Our match fencers couldn't represent Ter Weer on tournaments. Let's hope we don't go back to that situation.

Together we can prevent a new lockdown. Please read the instructions:

- No parents allowed during training
- Keep 1.5 metres from others.
- Wash your hands frequently
- Greetings with an elbow before and after a game
- Change your clothes at home end use the changing rooms as little as possible
- Bring a water bottle to avoid drinking from the tap
- After training, stay as sparingly as possible in the changing rooms and do not use the showers
- Do not hang around after training, but go home immediately

Fortunately, with these measures we can continue to fence if there are no more than 30 people in the room. This limit is not a problem with the current number of fencers who come to train. It remains difficult for the match fencers. International competitions have in any case been cancelled.

Training in the hall can be done safely in this way and we look forward to the time when more fencers will regularly come to fencing, even though we naturally respect everyone's decision to postpone the training for a while. For those who have symptoms of corona, the advice is of course to stay at home and skip training.

It was only a week and a half ago that the (partly) new board was assigned in a pleasant meeting on Saturday 19 September. Various initiatives were then discussed to increase the number of members and strengthen the club bond. We are working on this. Part of the program is the well-attended introductory lessons for youth fencers and adults. For this purpose, a short demo was organized on September 28, and the last lesson in this first series is on October 5. The intention is to start with a second series of introductory lessons after the autumn break. So, if you know people in your area who might be interested, now is the time to sign up.

After the current three-week period has ended and we know what measures will apply, we will inform you about the club championship, the Pepernoten Tournament and other matches and activities that are planned.

In the meantime, if you have any questions, please ask the board via bestuur@terweer.nl, the maître via leraartw@skpnet.nl or speak to us in the room.

Please stay healthy.

Sincerely

On behalf of the board

De maître

Arthur van Buitenen
Chairman

Floris Nonhebel
