Special General Assembly & Weapon Repair Course on Sunday 13 November

A **Special General Meeting of Members** (B-ALV) was held on Sunday 13 November. The most important topics that were discussed include the overview of the association activities and the sporting achievements of #Team Ter Weer at (inter)national tournaments since the previous GMM in February, and the results of the member survey. It was discussed that the club championships and the traditional closing of the season, the Rowdy van Tol Toernooi, went well, but that we are looking forward to more participants in internal tournaments this season. It was also noted with satisfaction that more attention has been paid to the maintenance of equipment and the equipment room. In addition, under the leadership of confidential contact person Johan Olie, there was extensive and, above all, candid discussion about how Ter Weer can increase the safety and openness of the club. Positive developments in this direction are the closers on the doors of the changing rooms, the application for Declarations on Behavior for directors and trainers, and the posting of our codes of conduct on our website: <https://terweer/gedragscodes/>. Finally, Marco de Heer, father of Ilias, has been unanimously elected as a new board member.

Following the B-ALV there was a weapons repair course. This course was given by August, Alex and Floris, and was a great success! Maintaining your equipment is important for all athletes, including fencers. Material from the association has also been taken care of, including foils and fils de corps.

Ter Weer active members

The group of active members and active parents of youth members is growing. We are very happy with that! **We are definitely looking for more people.** Many hands make light work! Are you a youth member and do you want to become active for Ter Weer, let us know and we will find a role that suits you. For more information: Floris: 06-52866680, Arthur: 06-51358848 or board@terweer.nl.

Ter Weer on the podium

On October 16th, **Ilias de Heer** took a great third place at the international Waal-Rhine tournament in Arnhem at the Benjamins Mixed. Congratulations!

Book tip: The Fencing Master van Arturo Pérez-Reverte

The 1988 crime novel **The Fencing Master** by popular Spanish writer **Arturo Pérez-Reverte** is an absolute must for any fencing enthusiast. The book is super exciting and a quick read. The cover is also a picture. Unfortunately there is no Dutch translation available. The synopsis in English reads as follows.

Fencing is not a game but a science. The outcome is invariably the same: triumph or disaster, life or death... It is 1868; Spain teeters on the brink of revolution. Jaime Astarloa is a master fencer of the old school, priding himself on the precision, dignity and honor of his ancient art; his friends spend their days in cafes discussing plots at court, but Jaime's obsession is to perfect the irresistible sword thrust. Then Adela de Otero, violet-eyed and enigmatic, appears at his door. When Jaime takes her on as a pupil he finds himself embroiled in dark political intrigues against which his old-fashioned values are no protection.
