### Save the date! The Annual General Meeting on Friday evening 10 March

On Friday evening 10 March our **Annual General Meeting** (AGM) will be held. The AGM will be held in the living room next door to our fencing hall. The official announcement with the agenda will follow later this month.

### Parent-Child Fencing Event

On Saturday 14 January, the annual **Parent-Child Fencing Event** was held. This is one of those TerWeer events that make our club so 'gezellig'. Our youth members were able to bring along a mother, a father, a care-taker, an aunt, an uncle or elder brother or sister to get them acquainted with the beautiful game of fencing. 19 Participants made it a very successful occasion. First the adults were speed-inducted into the art of foil fencing by Floris and Fresco. After that, the participants fenced an exciting tournament in duos. It was very special that for the first time there was also **wheel chair fencing**.

### Introducing: Pavel Kirpulasnkyy, the new épée trainer

Fencing Club TerWeer now also offers **épée fencing** in addition to foil. Experienced trainer **Pavel Kirpulasnkyy** from Ukraine has recently joined TerWeer. He previously trained the Ukrainian and Argentinian Olympic Pentathlon teams on épée. Pavel: "I see many opportunities for épée fencing in The Hague, both for beginners and for more experienced fencers. My goal is to have épée fencers come out on behalf of TerWeer at national and international tournaments." See our website for more information on épée fencing: [uitbreiding degen – Schermvereniging Ter Weer](#).

### TerWeer active members and active parents of youth members

The group of active members and active parents of youth members is growing. That makes us very happy! We are constantly looking for more support. Many hands make the job easier! Are you a (youth) member or a parent of a youth member and do you want to support for TerWeer, please let us know; we will find you a suitable role. For more information: Floris: 06-52866680, Arthur: 06-51358848 or [bestuur@terweer.nl](mailto:bestuur@terweer.nl).

### Medals for TerWeer

In the past months various TerWeer members won medals during tournaments. On 26 November **Dayona Vroegop** won **Daniele Barilari** a silver and bronze medal, respectively in the category Benjamins Mixed at the ESTEC Tournament in Noordwijk. For Daniele this was his first success at a tournament! On 21 January, **Soete Kolthof** finished third during the SISTA Tournament in Amsterdam in the category Pupillen Girls. **Dayona Vroegop** doesn't stop winning: she finished second in Amsterdam tweede in the category Benjamins Girls. Many congrats to all three of you! You make us very proud.

### Introduction courses

After the Christmas break the **new introduction courses** have started, led by Alex and Fresco/Tycho. **Do you also happen to know someone that wants to be introduced to fencing in 5 lessons?** Enroll through [introductiecursus@terweer.nl](mailto:introductiecursus@terweer.nl) (and prepayment of € 50,- through the payment link that the participant receives after the registration).

### Save the Date: the JOP weekend on 11 and 12 March!

On Saturday 11 and Sunday 12 March we will organise the **JOP Weekend**. JOP is an abbreviation of Youth Education Plan (in Dutch). The weekend will be led by Floris. It's open to **JOPPERS** and **all other youth members from 8-15 years old** alike. The entire weekend there will be a lot of training, but there's also ample space for fun activities. More information will be sent on the TerWeer Jeugd Whatsapp group.
