## NEWSLETTER / Nr 2 / November 2020

### IN MEMORIAM

On October 27, 2020, former Terwerian Romek van Deursen passed away. He started at Ter Weer as an enthusiastic 7-year-old boy. From 2004 to 2012 he fenced and actively participated in tournaments and the JOP program. Romek and his parents were very involved. On behalf of Maître and the members of the association, flowers have been send as a final salute. A number of members with whom Romek fenced have also been present at the funeral.

After the autumn break, trainings resumed in a new covid-19 regime. The youth up to the age of 18 can just fence happily. For fencers aged 18 and older, individual training can be done. We also do fencing-oriented fitness training and we take the opportunity to revitalize theory. Information has also been shared in the various whatsapp groups, including training times. If you have any questions, please send a WhatsApp to Floris.

to make the best of these corona times, a number of members led by Alex connected electricity to the detectors in the room. The cables are now nicely concealed. In this way, we will ensure that the fencing can start again in full swing once the corona measures can be relaxed again.

In October, 7 seniors and 9 youth fencers completed the introduction course with a tournament. The youth fencers now train every Tuesday and Thursday. The seniors will have to be patient because of the corona measures. We hope they can fence with us in January.
