NEWSLETTER / Nr 4 / February 2021

We can do a little more sport again. And we seize everything to be able to move again. The age limit for outdoor sports has been raised to 27 years. Floris has already shared more details in the app groups. So keep an eye on this.

If we can't fence, we'll go ... skating. A group of nearly 30 members and guests met each other on Monday morning 22 February at the Uithof. It was nice to see each other again after so long and to chat with each other. And skating is very easy to do together at 1.5 meters.

Fencing masks must still remain in the bag. We are even getting used to mouth masks. In order to be able to propagate their pride for fencing in corona time, all members were offered a Ter Weer mouth mask. Who knows, it might bring a nice conversation and you can always point out the introductory course 😊

The **5th Open Hofstad Randstad Tournament** is scheduled for Sunday 9 May 2021 in the Sporthal on the Gaslaan. A lustrum tournament. And an extra special tournament because, in collaboration with the Johan Cruyff Foundation and the KNAS, we are giving the starting signal for wheelchair fencing in The Hague. With Alex, we have a licenced trainer to teach wheelchair fencers. The Sports Director of the Municipality of The Hague Peter van Veen has agreed to give the starting signal for wheelchair fencing in The Hague. All this, of course, if the covid measures allow it.
