NEWSLETTER / Nr 5 / April 2021

We are now fencing again on three evenings. Floris has delivered a helpful system to allow different ages to train separately, and everyone adheres to the safety measures. Once you have warmed up, it is actually quite easy.

Sign up with the link in the app.

Unfortunately we cannot train at full force yet. We keep a close eye on the press conferences and coordinate with other fencing teams. As soon as we see opportunities to be able to train more, we will take them.

Together we keep Ter Weer strong. Thank you very much for all of you staying a member and continuing to pay. This is really very necessary, despite the one-off compensation we have received from the government. Our fixed costs continue as usual, and we are still coming out of a situation with an expensive move that we are still catching up with.

In April, **Quincy was fencing at the Youth World Championships** in Cairo. Individually he became 85th in the world ranking and he became 14th in the team ranking. Quincy represented the Netherlands, but for us he was of course a Terweerian. The media also turned out to be interested in local talent and published an interview and superb photo:

We had to postpone the **5th Open Hofstad Randstad tournament** due to the Covid measures. Together with the organization of the Randstad tournaments and the KNAS, we are looking for a new date after the summer. You will hear this as soon as a new date becomes known.

PSA: To make sure we reach everyone properly: please email new home and email addresses to bestuur@terweer.nl
