NEWSLETTER / Nr 6 / June 2021

Sports competitions and competitions can take place again from June 26. The maximum group size of eight people during training sessions will also expire for fencers aged 27 and older. Keep using Floris' weekly googledocs link to sign up for training sessions. The public in the hall is also allowed again, but at a distance of one and a half meters from each other. The basic corona measures remain in effect. Keep enough distance and stay home if you have symptoms.

Introduction courses have started again. In two groups, 20 enthusiasts are introduced to fencing in 5 lessons under the guidance of Alex and Emiel/Tycho. On Monday evening people over 12 start at 20:00 and on Tuesday the youth from 18:30-19:30. Do you also know someone who wants to get acquainted with fencing? You can register for the next introductory course via introductiecursus@terweer.nl

On Sunday June 6th, the youth members enjoyed themselves with laser tag, canoeing, baking bread and building rafts. It was tropically warm and the **team spirit** was splashing. That bodes well for the upcoming fencing tournaments. Super organized by Myriam, Floris and Joep!

In May, Mint and Miro competed in the **Spanish National Fencing Championships**. And if this alone is not special enough, Mint has individually conquered a beautiful bronze medal and became Champion Floret with her Spanish club Equipe. Congratulations.
