With a Club Championships *Flashback* on the back

We have started again after the summer break. We can fence again, changing rooms and showers can also be used. Signing up via googledocs is no longer necessary. The public is also allowed in the hall, but at a distance of 1,5 meters from each other. Keep an eye on Floris' announcements in the WhatsApp groups. The basic corona measures remain in effect. Keep enough distance and stay home if you have symptoms

Introduction courses have started again. In two groups, 20 enthusiasts are introduced to fencing in 5 lessons under the guidance of Alex and Tycho. Do you also know someone who wants to get acquainted with fencing? Due to the overwhelming interest there is already a course in October (after the autumn holidays) You can register for the next introductory course via introductiecursus@terweer.nl

Welcome Fresco. This season we welcome Fresco as a new room assistant for the youngest youth on Mondays. He will supervise the training sessions and we are very happy with him.

Tycho continues to guide youth on Thursdays and provides the introductory course for youth with Alex. Good to have you here gentlemen. And that they both became club champions in July 2021 is of course pure coincidence

Emiel has indicated that he can no longer be present every week. Thank you Emiel for your efforts as a room assistant in recent years.

Flashback On July 8 and 10 we fenced the **Club Championships 2021**. The youth fenced in 3 groups. Francois, Joep, Quincy and Tycho provided an honest assessment. Johan, Marijke and Myriam had taken care of catering.

ther was a lot of competitions with the beginning youth (IV). Dawid won the title at the expense of Mats. Ilias and Tyson took home the bronze. Dayona and Qays did well on their first match.

With the older and more experienced youth (II), Soete showed that, even though she is the youngest, she is still the strongest. In the final it was still exciting against Thalia. Roos and Zhengpo took the bronze. Camillo, Chris and Lucas stranded in the quarterfinals.

Fresco was in good shape with the most experienced youth (I). He settled with Miro in the final with a minimal difference. Mint and Elliot took home bronze. Jasper and Kalle reached the quarterfinals.

After a thrilling final, Tycho is the champion for 2021 in the men's competition. He defeated Joep, who was in great shape during his farewell match. Francois and August were able to take home the bronze. For Floris, Alex, Agnes and Arthur, the quarterfinals were the final destination. Amber, Wigand and Monica were left with a place in the last 16 in the mixed tournament.

Agnes became champion among the ladies, also in her farewell match. This time after a narrow victory over her mother. Amber was able to take home the bronze medal.

It was a successful championship and the end of a remarkable season.
