## NIEUWSBRIEF / Nr 9 / December 2021

Due to **Covid measures**, training times may shift. We are doing everything we can to continue training within the measures in force. Unfortunately, there is a complete lockdown from December 19 until January 14. **Keep an eye on the WhatsApp groups for the current times.** If you have symptoms, do a self-test before you train or skip it. Above the age of 16, the trainers will ask for your QR code. Wash your hands often. Unfortunately, the public cannot be in the room during the training sessions

Ter Weer was well represented in various national championships and international tournaments in the fourth quarter of 2021.

**In the ECC qualifiers for the European Championships, Tycho finished 127th in Budapest in a strong field and 148th in the tough ECC tournament in Cabriès.**

**Mint and Miro took part in the U15 tournament in Madrid** Mint placed 7th, Miro 17th.

**With Monica we have a Dutch champion foil for both women veterans general and women 50+.** A great achievement. Alex and Floris competed on behalf of Ter Weer for the Dutch Men's Foil Championship, but had to tolerate a number of others above them this year.

During the Dutch Equipe Championships in Zutphen, Ter Weer performed on foil with **François, Emiel, Alex and Floris**. After a nice victory over ZAZ, both SCA and Treville were clearly too strong. But we showed ourselves again with a 4th place. In addition, there was also a team of epee with **August, Tycho and Floris**. The result was a nice 10th place, after victories over La Prima and the 3 Musketeers. **It was great that Ter Weer was represented on two weapons.**

During the first season of the KNAS **Youth Equipe Competition**, we had both a U12 and a U15 team in competition. **Both teams had a lot of fun and finished first in their group!** Super!

U12: **Annoushka, Dawid and Dayona**

U15: **Elliot, Fresco, Roos and Soete**

A tradition at Ter Weer: **pepernoten fencing**. This year on 25 November. A nice combination of skill, fencing and fun. Thanks again for the organization **Myriam**.

**The Municipality of The Hague handed us the rainbow flag on 11 November.** This symbolizes inclusiveness and solidarity with the LGBTI+ community. Ter Weer is proud of this flag.

**After the Christmas holidays, the following introductory courses will start again,** led by Alex and Tycho. Do you also know someone who wants to get acquainted with fencing in 5 lessons? **You can register for the next introductory course** via [introductiecursus@terweer.nl](mailto:introductiecursus@terweer.nl) (and prepayment of 40 euros via the payment link that the participant will receive after registration)

**The end of 2021 is approaching.** A year in which we have been fencing as good as we could, despite the sometimes restrictive Covid measures. Because you have remained a member, we got through the year without major financial damage. We have also added new members in 2021. Welcome! In total, the number of members increased slightly in 2021. **Together we keep Ter Weer financially resilient and we grow in membership.** **A good basis for 2022!** We will start again as soon as possible, within the measures in force at that time. Keep an eye on the app groups

**For everyone: Happy holidays and a beautiful 2022!**
